PRESS RELEASE

Titan Company Ltd reports a growth of 21% in net profit for Q4, FY 2019-20.

Titan Company Ltd announced a decline in income of 5.5% for the fourth quarter of financial year 2019-20 with the total income declining to Rs. 4,469 crores, against last year's income of Rs. 4,727 crores during the same period. The income for the financial year ending March 2020, stands at Rs. 20,156 crores, registering a growth of 4.7% over last year.

The Standalone PBT for Q4 is Rs. 516 crores, against Rs. 465 crores last year, before extraordinary items. The growth in the profit before tax for the quarter, despite the decline in the revenue, was possible due to significant compression of cost in anticipation of the disruption.

The company was impacted significantly in the second half of March 2020 due to the COVID 19 pandemic with the shutting down of all stores. Jewellery business had a good quarter till the lockdown despite high gold prices. However, the lockdown resulted in the division recording an income of Rs. 3,754 crores for the fourth quarter as compared to Rs. 3,986 crores last year, a decline of 5.8%. The income from Watches business recorded an income of Rs. 557 crores against Rs. 531 crores in the previous year, a growth of 4.9%. The Eyewear business also declined by 17.4% in the quarter, recording an income of Rs. 108 crores as against Rs. 130 crores last year. Other segments of the Company comprising Indian dress wear and accessories recorded an income of Rs. 41 crores compared to Rs. 37 crores in the previous year, a growth of 12.5%. The Jewellery division, with the revenue of Rs 16,738 crores for the financial year and a growth of 4.4%, continues to do well relative to the market. The Watches business with the revenue of Rs 2,615 crores for the year grew at 7.2%. The Eyewear business achieved revenue of Rs 544 crores for the year, a growth of 6.4%.

The Company's retail chain stands at 1819 stores, as on 31st March 2020 with a retail area crossing 2.3 million sq.ft. nationally for all its brands.

Mr. C K Venkataraman, Managing Director of the Company stated that "The Company's good performance across all its divisions in the first two months of the quarter was negated considerably by the COVID 19 pandemic in the second half of March. With the safety of its customers and employees in mind, the company opted to shut its stores even before the lockdown was officially implemented. Our stores are now opening up with strict social distancing norms across the country, other than in containment zones, and response from customers over the last few weeks have been very encouraging. The Company's strong brand equity and Balance Sheet along with numerous measures to eliminate wasteful expenditure is expected to help it prevail over the near term challenges."

**Titan Company Limited
Independent Auditor's Report (continued)**

Management's and Board of Directors' Responsibilities for the Standalone Annual Financial Results (continued)

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone annual financial results, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone annual financial results or, if such disclosures are inadequate, to modify our opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

- 2 Effective 1 April 2019, the Company adopted Ind AS 116 "Leases", applied to its lease contracts existing on 1 April 2019 using the modified retrospective method and has taken the cumulative adjustments to retained earnings, on the date of initial application. Accordingly the Company has not restated the comparative information. The cumulative effect of application of the standard has reduced the retained earnings by ₹ 10,081 lakhs, net of taxes. The implementation of Ind AS 116 resulted in lower Profit before tax by ₹ 392 lakhs for the quarter ended 31 December 2019, higher Profit before tax by ₹ 550 lakhs for the quarter ended 31 March 2020 and lower Profit before tax by ₹ 461 lakhs for the year ended 31 March 2020 on account of higher interest cost and depreciation which was offset by reduction in rent expenses and other income on pre-closure of contracts. In the statement of profit and loss for the current period, the nature of expenses in respect of operating leases has changed from lease rent in previous periods to depreciation cost for the "Right-of-Use" asset and finance cost for interest accrued on "Lease liability".
- 3 During the quarter ended 30 September 2019, the Company elected to exercise the option permitted under section 115BAA of the Income-tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance, 2019. Accordingly, the Company has recognised provision for income tax for the quarters ended 31 December 2019, 31 March 2020 and for the year ended 31 March 2020 and computed deferred tax based on the rate prescribed in the said section. The full impact of this change has been recognised in the statement of profit and loss for the quarter ended 30 September 2019.
- 4 During the year ended 31 March 2020, the Company incorporated Titan Holdings International FZCO ("Titan Holdings") as a subsidiary in October 2019 and Titan Holdings incorporated a subsidiary, Titan Global Retail L.L.C ("Titan Global") in December 2019, both based out of Dubai.
- 5 During the quarter ended 31 December 2019, the Board of Directors approved the special retiral benefits payable to the Managing Director who retired in September 2019, as per the policy of the Company. Accordingly, the Company has accrued ₹ 2,568 lakhs based on actuarial valuation by giving corresponding charge to employee benefit expense in the statement of profit and loss for the year ended 31 March 2020.
- 6 Exceptional item includes provision for impairment of investment in a subsidiary (Favre Leuba AG, Switzerland) made for the year ended 31 March 2019 amounting to ₹ 7,000 lakhs.

Profit / (loss) from segments before exceptional items, finance costs and taxes are as below for the year ended 31 March 2019:
₹ in lakhs

Segment	Year ended 31-03-2019 (Audited)
Watches	31,638
Jewellery	194,800
Eyewear	(238)
Others	(5,811)
	220,389
Corporate (Unallocated)	(16,207)
	204,182

- 7 The Company disposed off its entire shareholding in Titan TimeProducts Limited to Danlaw Technologies India Limited on 18 June 2018 at a consideration of ₹ 1,850 lakhs. Consequently, the Company has recognised profit on sale of investment amounting to ₹ 487 lakhs under the head "Other income" during the year ended 31 March 2019.
- 8 The Company is structured into four verticals namely Watches and wearables, Jewellery, Eyewear and Others where "Others" include Accessories, Fragrances and Indian dress wear. Accordingly, the Company has presented its segment results under these business segments.
- 9 The above results of the Company have been audited by the statutory auditors and have issued an unqualified audit opinion on the same. The figure for the quarters ended 31 March 2020 and 31 March 2019 are the balancing figure between the audited figures of the full financial year and the unaudited year to date figure upto the third quarter of the respective financial years. Also, the figures upto the end of the third quarter were only reviewed and not subjected to audit.
- 10 During the previous year, the Company, as part of its Treasury operations, invested in intercorporate deposit aggregating ₹ 14,500 lakhs with Infrastructure Leasing & Financial Services Limited and its subsidiary (IL&FS Group), which were due for maturity in November 2018 and December 2018. The aforesaid amounts and the interest thereon have however not been received as on date. As a result of increased credit risk in relation to outstanding balances from IL&FS Group and the uncertainty prevailing on IL&FS Group due to the proceedings pending with the NCLT, Management has provided for full amount of ₹ 14,500 lakhs for impairment in value of deposit for the year ended 31 March 2019 (₹ 4,600 lakhs for the quarter ended 31 March 2019). The provision currently reflects the exposure that may arise given the uncertainty. The Company, however, continues to monitor developments in this matter and the necessary actions are being taken in this regard.

Independent Auditors' report (continued)

Auditor's Responsibilities for the Audit of the Consolidated Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the consolidated financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate and joint venture to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated annual financial results, including the disclosures, and whether the consolidated annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group and its associate and joint venture to express an opinion on the consolidated annual financial results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated annual financial results of which we are the independent auditors. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in para (a) of the section titled "Other Matter" in this audit report.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated annual financial results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Auditor's Responsibilities for the Audit of the Consolidated Annual Financial Results (continued)

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular No CIR/CFD/CMD1/44/2019 issued by the SEBI under Regulation 33(8) of the Listing Regulations, as amended, to the extent applicable.

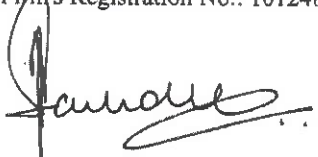

Other Matter

(a) The consolidated annual financial results include the Group's share of net loss of INR 457 lakhs for the year ended 31 March 2020, as considered in the consolidated annual financial results, in respect of one joint venture. These unaudited financial statements have been furnished to us by the Board of Directors and our opinion on the consolidated annual financial results, in so far as it relates to the amounts and disclosures included in respect of the joint venture is based solely on such annual financial statements. In our opinion and according to the information and explanations given to us by the Board of Directors, these financial statements are not material to the Group.

Our opinion on the consolidated annual financial results is not modified in respect of the above matter with respect to our reliance on the financial results certified by the Board of Directors.

(b) The consolidated annual financial results include the results for the quarter ended 31 March 2020 being the balancing figure between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us.

- 2 The consolidated financial results of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended.

- 3 Effective 1 April 2019, the Group adopted Ind AS 116 "Leases", applied to its lease contracts existing on 1 April 2019 using the modified retrospective method and has taken the cumulative adjustments to retained earnings, on the date of initial application. Accordingly the Group has not restated the comparative information. The cumulative effect of application of the standard has reduced the retained earnings by ₹ 10,384 lakhs, net of taxes. The implementation of Ind AS 116 resulted in lower Profit before tax by ₹ 574 lakhs and ₹ 663 lakhs for the quarters ended 31 December 2019 and 31 March 2020 respectively and ₹ 1,546 lakhs for the year ended 31 March 2020 on account of higher interest cost and depreciation which was offset by reduction in rent expenses. In the consolidated statement of profit and loss for the current period, the nature of expenses in respect of operating leases has changed from lease rent in previous periods to depreciation cost for the "Right-of-Use" asset and finance cost for interest accrued on "Lease liability".

- 5 During the quarter ended 30 September 2019, the Standalone Company elected to exercise the option permitted under section 115BAA of the Income-tax Act, 1961 ("the Act") as introduced by the Taxation Laws (Amendment) Ordinance, 2019. Accordingly, the Standalone Company has recognised provision for income tax for the quarters ended 31 December 2019, 30 September 2019 and for the nine months ended 31 December 2019 and computed deferred tax based on the rate prescribed in the said section. The full impact of this change has been recognised in the statement of profit and loss for the quarter ended 30 September 2019. After evaluation, the subsidiaries opted not to exercise option permitted under section 115BAA for the year ending 31 March 2020.

- 6 During the year, the Group incorporated Titan Holdings International FZCO ("Titan Holdings") as a subsidiary in October 2019 and Titan Holdings incorporated a subsidiary, Titan Global Retail L.L.C ("Titan Global") in December 2019, both based out of Dubai. Both the entities are consolidated for the quarters ended 31 December 2019 and 31 March 2020 and for the year ended 31 March 2020.

- 7 During the quarter ended 31 December 2019, the Board of Directors approved the special retiral benefits payable to the Managing Director who retired in September 2019, as per the policy of the Group. Accordingly, the Group has accrued ₹ 2,568 lakhs based on actuarial valuation by giving corresponding charge to employee benefit expense in the statement of profit and loss for the year ended 31 March 2020.

- 8 The Group disposed off its entire shareholding in Titan TimeProducts Limited to Danlaw Technologies India Limited on 18 June 2018 at a consideration of ₹ 1,850 lakhs. Consequently, the Group has recognised profit on sale of investment amounting to ₹ 487 lakhs under the head "Other income" during nine months ended 31 December 2018 and year ended 31 March 2019.

- 9 The Group is structured into four verticals namely Watches and Wearables, Jewellery, Eyewear and Others where "Others" include Aerospace & Defence, Automation Solutions, Accessories, Fragrances and Indian dress wear. Accordingly, the Group has presented its segment results under these business segments in the manner consistent with the internal reporting to the chief operating decision maker (CODM).

- 10 The above results of the Group have been audited by the statutory auditors and have issued an unqualified audit opinion on the same. The figure for the quarters ended 31 March 2020 and 31 March 2019 are the balancing figure between the audited figures of the full financial year and the unaudited year to date figure upto the third quarter of the respective financial years. Also, the figures upto the end of the third quarter were only reviewed and not subjected to audit.

- 11 During the previous year, the Group, as part of its Treasury operations, invested in intercorporate deposit aggregating ₹ 14,500 lakhs with Infrastructure Leasing & Financial Services Limited and its subsidiary (IL&FS Group), which were due for maturity in November 2018 and December 2018. The aforesaid amounts and the interest thereon have however not been received as on date. As a result of increased credit risk in relation to outstanding balances from IL&FS Group and the uncertainty prevailing on IL&FS Group due to the proceedings pending with the NCLT, Management has provided for full amount of ₹ 14,500 lakhs for impairment in value of deposit for the year ended 31 March 2019 (₹ 4,600 lakhs for the quarter ended 31 March 2020). The provision currently reflects the exposure that may arise given the uncertainty. The Group, however, continues to monitor developments in this matter and the necessary actions are being taken in this regard.
