PRESS RELEASE

**Covid 19 pandemic causes Titan Company Ltd to report a loss in Q1 FY 2020-21**

The disruption caused by the Covid 19 pandemic in India affected the performance of Titan Company Ltd severely with retail outlets closed for a major part of the quarter, resulting in a decline in income of 62% for the first quarter of financial year 2020-21 with the total income declining to Rs.1,901 crores, against last year's income of Rs. 4,995 crores during the same period. Revenues included sale of bullion worth Rs. 601 crores done to reduce inventory given the low level of sales due to the disruptions in activity.

The lockdowns impacted the Company's operations significantly in the months of April and May 2020 as most stores were forced to shut down. While stores started opening in May, post Unlock 1.0, even as at end of June 2020, only 83% of all the stores opened and even for stores that opened, many of them were not operating for all days.

The recovery rate of revenue started improving slowly and as of June it was 21% for the Watches and Wearables division, 77% for the Jewellery division and 25% for the Eyewear division. Consumer sentiment was impacted severely due to the economic downturn, people being forced to remain indoors for extended periods of time as most people worked from home and the perceived risk of going out to public spaces. Further with most weddings in the quarter being postponed, demand for wedding jewellery was affected.

With the negative consumer sentiment prevailing in the quarter, discretionary spends were very low, and specifically impacted our Watches business and diamond studded jewellery in the Jewellery business. Plain gold jewellery sales, however, recovered better than expected in June despite high gold prices. However, the impact of the lockdown resulted in the jewellery division recording an income of Rs. 1,783 crores for the quarter as compared to Rs. 4,047 crores last year, a decline of 56%. The Watches business was impacted far more and recorded an income of Rs.75 crores against Rs.715 crores in the previous year, a decline of 90%. The Eyewear business also was impacted as severely as the Watch business with revenues declining by 80% in the quarter, recording an income of Rs.30 crores as against Rs.149 crores last year. Other segments of the Company comprising Indian dress wear and accessories recorded an income of Rs.4 crores compared to Rs.36 crores in the previous year, a decline of 89%.

Consequent to the decline in revenues, despite a company-wide cost reduction initiative and cuts in advertising spends given the low level of activity, the Standalone PBT for the quarter was a loss of Rs.335 crores, against a profit of Rs.523 crores in the previous year.

The Company's retail chain stands at 1,736 stores, as on 30<sup>th</sup> June 2020 with a retail area crossing 2.2 million sq.ft. nationally for all its brands.

Of the subsidiaries, Titan Engineering and Automation Ltd (TEAL) did well despite the pandemic with revenues of Rs 76 crores (decline of 19%) and Profit before tax of Rs. 7 crores (decline of 51%). CaratLane, being in the consumer discretionary space was hit by the pandemic and ended with a revenue of Rs 42 crores (decline of 68%) and a Net Loss of Rs. 19 crores for the quarter.

Mr. C K Venkataraman, Managing Director of the Company stated that "The severity of the disruption in business due to the pandemic impacted the Company's performance resulting in an unprecedented loss for the company. The recovery in business, particularly in the jewellery business is encouraging and we expect to get back to normalcy by the fourth quarter of this year. The company's reassessment of its cost structure during this period and inherently strong Balance Sheet, will help it to create a stronger base for a sustainably higher profit margin business."

## **Limited Review Report on unaudited quarterly standalone financial results of Titan Company Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”)**

### **To the Board of Directors of Titan Company Limited**

1. We have reviewed the accompanying Statement of unaudited standalone financial results of Titan Company Limited (“the Company”) for the quarter ended 30 June 2020 (“the Statement”).
2. This Statement, which is the responsibility of the Company’s management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 “Interim Financial Reporting” (“Ind AS 34”), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 “Review of Interim Financial Information Performed by the Independent Auditor of the Entity” issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Attention is drawn to the fact that the figures for the 3 months ended 31 March 2020 as reported in these financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.

## Notes:

- 1 The standalone unaudited financial results of Titan Company Limited ("the Company") have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended.
- 2 From the current quarter, the Company has decided to report its standalone financial results in ₹ crores in lieu of ₹ lakhs reported in earlier periods. Accordingly, comparative numbers which were reported in ₹ lakhs previously have been reflected in ₹ crores in this report.
- 3 The Company is structured into four verticals namely Watches and wearables, Jewellery, Eyewear and Others where "Others" include Accessories, Fragrances and Indian dress wear. Accordingly, the Company has presented its segment results under these business segments.
- 4 The figures for the quarter ended 31 March 2020 are a balancing figure between the audited figures of the full financial year and the unaudited year to date figure upto the third quarter of the financial year ending 31 March 2020.
- 5 During the quarter ended 30 June 2020, the Company has recognised an amount of ₹ 65 crores as deferred tax asset (including an amount of ₹ 62 crores for the losses incurred) for the quarter ended 30 June 2020 as per the applicable accounting standard specified in section 133 of the Companies Act, 2013 read with relevant rules framed thereunder.
- 6 During the quarter ended 30 June 2020, the Company has renegotiated with certain landlords on the rent reduction/ waiver due to COVID 19 pandemic. The Management believes that such reduction/ waiver in rent is short term in nature and also meets the other conditions in accordance with the notification issued by the Central Government in consultation with National Financial Reporting Authority dated 24 July 2020 as Companies (Indian Accounting Standards) Amendment Rules, 2020 with effect from 1 April 2020. Thus, in accordance with the said notification, the Company has elected to apply the practical expedient available and the reduction/ waiver does not necessitate a lease modification as envisaged in the Standard. Accordingly, the Company has recognised ₹ 23 crores in the statement of profit and loss for the quarter ended 30 June 2020.
- 7 During the quarter, the Company has issued ₹ 1,000 crores of commercial papers with a tenure of 3 months. Out of these ₹ 500 crores was matured and redeemed on 30 July 2020 and the balance ₹ 500 crores is due for maturity on 18 August 2020. As per the requirement of SEBI Circular dated October 22, 2019 and subsequent amendments thereof, the Company has listed its commercial papers on the National Stock Exchange (NSE) with effect from date of placement.
- 8 Further to declaration of COVID 19 as a pandemic by the World Health Organisation in March 2020 and the nationwide lockdown announced by the Government of India on 24 March 2020, the operations of the Company were severely disrupted resulting in significant loss of revenue as retail operations were closed in April. The Company had resumed its operations across the country from the first week of May in a phased manner once the Government of India had progressively relaxed the lockdown. The Company continues to consider the possible effects that may result from the pandemic relating to COVID-19 on the financial results of the Company. The Company has performed a detailed analysis on the various assumptions used and based on current estimates expects that the carrying amount of its assets will be recovered. As on date, the Company has re-opened a significant part of its stores across all its businesses.
- 9 During the quarter, the Company sold gold-ingots aggregating ₹ 601 crores to various customers dealing in bullion, which is disclosed as other operating revenues.
- 10 The statutory auditors have carried out limited review of the standalone unaudited financial results for the quarter ended 30 June 2020 and have issued an unmodified review report.
- 11 The standalone unaudited financial results of the Company for the quarter ended 30 June 2020 have been reviewed by the Audit Committee of the Board and approved by the Board of Directors at their meeting on 10 August 2020.
