Jewellery Performance Highlights

- Total Income of ₹9,070 cr grew 19.3% YoY with domestic operations growing ~20% YoY to ₹8,931 cr
- Buyer growth was ~14% YoY and average spends per buyer increased by ~6% YoY. New buyer proportion at ~46% continued to be healthy
- Wedding segment growth was robust at ~26% YoY contributing ~20% to the total Revenue
- Studded product mix was largely unchanged YoY
- Amidst a volatile high gold rate environment and a rural wedding season, the gold exchange program was dialed up to solve for consumer uncertainty
- EBIT came at ₹999 cr at a 11.0% margin. It is lower than Q1FY23 due to:
 - a. one-time diamond price inventory gains in the base quarter, now normalized
 - b. investments in growth: through aggressive exchange offer, brand building initiatives and a planned gold rate mark-up rationalization program to gain market share
- In new store expansions (net) for the quarter, the GCC region saw a Tanishq addition in Sharjah. In India, Division added 9 stores in Tanishq and 8 stores in Mia by Tanishq. Tanishq's international presence now covers 7 stores in GCC region and 1 store in USA

Sustainability at Titan

Titan Kanya

Titan LeAP Program

Project Tarasha

Happy Eyes

Agriculture / Water / Livelihood programs

Girl Child/ Education

- Titan Kanya, Kanya+ and the holistic engagement program of Kanya Sampurna started the year with developing teaching learning materials, training facilitators and tutors, tracking enrolments of students at schools and gearing up for implementation immediately after schools reopened
- The science education program has started in all intervention areas. The highlight for the year is to support 10 Atal Tinkering Labs in and around Raichur

Skill development for underprivileged

- Skilling programs in the categories of 'For employment', 'For employability' and 'Entrepreneurship / Livelihood development' programs started in the right earnest. Newer elements of training have been introduced, new programs have been designed with existing partners and a new partner has been identified for skilling the disabled in Tamil Nadu
- Groundwork for setting up a new Titan LeAP Centre at Coimbatore is going on. Many new employers have been signed up as employment partners

Support for Indian Arts, Crafts & Heritage

- Under the aegis of the vertical of Indian Heritage Arts and Crafts, holistic support was extended to 7 different craft clusters through independent projects and over 40 craft enterprises under Project Tarasha

Affirmative Action

- An MoU was signed with DET, Tamil Nadu for developing the 5 Tribal ITIs of the State. Support to many new tribal institutions have been planned and the initial preparations have commenced

Responsible Citizenship

- The Happy Eyes project has taken off very well and covers:
 - Screening and appropriate vision correction of Government and Aided school children and teachers
 - Screening of the urban poor with the help of a Mobile Rural Vision Program
 - Screening of the less privileged at Vision Centres
 - Project to make 2 blocks of Tamil Nadu Vision Impairment Free
- The water shed – agri-livelihood development program covering about 3,500 hectares of land in Krishnagiri and TV Malai is on track
- The program in Uttarakhand for multi-level development of 60 villages and to make them water smart is in its 2nd year of operations
- After a successful pilot in FY23, a 3-year agri-water-livelihood development project in Nagaland has been signed up to benefit farmers of Phek district and is progressing well
- Titan Footprints: Titan's volunteering program was active with a total of close to 1,253 volunteering hours involving 615 volunteers across the Company either in CSR projects or other local initiatives

Sustainability at Titan

Waste Management

- At Watches & Wearables, organic sludge from STP (Sewage Treatment Plant) is converted as manure and distributed for agricultural purpose. 47 tons of manure were distributed during the last 3 months

Water

- Locational water conservation initiatives continue to reduce fresh water consumption
- At Watches & Wearables, usage of STP recycled water (through ultra filtration / RO system) for washroom applications was initiated (Apr'23 to June'23) resulting in fresh water saving of 1,783 KL

Energy conservation

- At Watches & Wearables, design envelope pumps - a new technology pump with inbuilt VFD options have been installed for our centralized A/c system and chilled water distribution network that resulted in energy conservation of 10,000 Units/Year

Other Notable Initiatives

- Large scale tree plantation in over 100 government schools in Krishnagiri was initiated
- Multiple engagement points on substituting plastics are being explored
